

Events at Dalla 2023

WHO WE ARE

Dalla Tavola Zenari is a warm, authentically Italian atmosphere in the heart of downtown Edmonton. Developed by Elisa Zenari & her husband Ran Huget, Dalla Tavola Zenari means 'from the Zenari table.' Their goal is to carry on the Zenari family's 35 year legacy as a downtown dining destination and reimagine event management to make every client and their events feel like an expression of Italian hospitality.

LOOKING FOR A UNIQUE SPACE FOR YOUR NEXT EVENT?

Our restaurant is available for private bookings and we offer a variety of services from full-service catering to event planning that will make your next event an expression of la dolce vita!

THE SPACE

Dalla is a bright contemporary room with 20ft ceilings, large windows, a welcoming bar at the centre of the restaurant with open kitchen and restrooms within the space.

The room is versatile with many possible configurations and we're happy to discuss layout options with you.

We do not have any private dining areas however.

CAPACITY

Our capacity is 131 people but we have recommended capacity limits depending on the style of service required.

COCKTAIL RECEPTION	<i>50 to 130 guests</i>
SIT DOWN DINNER	<i>40 to 80 guests</i>

For events that fall within the above capacity limits, we require a full restaurant buy out. For smaller events, half room bookings are available.

NEED MORE SPACE?

As a tenant of Enbridge Centre, we have the unique opportunity to expand catering services into the Enbridge Centre Lobby. Additional rental rates apply. Lobby capacity is 600 people.
